

HUMAN SERVICES DEPARTMENT[441]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 79, “Other Policies Relating to Providers of Medical and Remedial Care,” Iowa Administrative Code.

These amendments increase reimbursement rates for home- and community-based services (HCBS) to reflect the appropriation of \$1.5 million for state fiscal year 2012 for this purpose. These amendments essentially restore the reductions in the waiver reimbursement limits that were implemented in December 2009 as a result of Executive Order 19. At that time, rate maximums were reduced by 2.5 percent for most waiver services. Maximums for home health aide, nursing, and interim medical monitoring and treatment performed by a home health agency were reduced by 5 percent.

These amendments were also Adopted and Filed Emergency and are published herein as **ARC 9706B**. The purpose of this Notice is to solicit comment on that submission, the subject matter of which is incorporated by reference.

Any interested person may make written comments on the proposed amendments on or before September 27, 2011. Comments should be directed to Mary Ellen Imlau, Bureau of Policy Coordination, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by E-mail to policyanalysis@dhs.state.ia.us.

These amendments do not provide for waivers in specified situations because the changes are a benefit to the providers affected. Requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 249A.4 and 2011 Iowa Acts, House File 649, section 28, subsection 1(q).
